Sub: Regarding L.P.G. price clarification

Dear Sir/Madam,

We are writing this letter to clarify that the INR 749.00/- per LPG Refill was a promotional/Limited period offer price which ended on 31st December 2022, viz. the "cut of date". Since, 1st Jan 2023, the standard regular prices of LPG connections and refills are prevailing and it has been made very clear that all the distributors, dealers and other business partners shall place their purchase orders on the regular price, till the Company explicitly notifies any further change, subject to market fluctuations.

You are requested to please place your Orders as per the current applicable regular pricing only.

Please feel free to contact for any other support you seek from the Company.

Wishing you Happy Sales !!!

Thanks.
